

AN IDEAL BALANCE OF SIZE AND FUNCTIONALITY

To keep your business workflow moving in the right direction, Sharp introduces the F0-2081 Digital Multifunction Document Communication System. The versatile F0-2081 combines high speed faxing functionality with the conveniences of high-quality digital copying, network printing, and full color scanning. Its feature-rich copying and printing capabilities are simple and easy-to-use, making them readily accessible to anyone in your workgroup. And with Sharp's long history of award-winning reliability, the F0-2081 is engineered to help keep up with today's busy workplace environments.

Sharp's innovative features

- High speed Super G3 Faxing capabilities help keep your business workflow moving.
- Robust 20 ppm Copying and Printing speeds, all in a compact, desktop design.
- Auto Duplexing comes standard for Copying, Printing, and PC Scanning.
- Copy both sides of an ID card, and print both images on a single page with the ID Card Shot feature
- Auto Tray Switching automatically changes which paper tray the device is using if one becomes empty while printing*.
- Offset Stacking and E-Sort offer convenient and time-saving finishing options.
- Full Color Scanning makes it easy to send scanned files to multiple destinations, each configurable with specific file types.
- A Data Transfer Function can send received faxes to a different fax machine for printing.

* Some features may require optional equipment.

FAST & EFFICIENT BUSINESS FAXING

The FO-2081 makes everyday business document communication quick and easy. Two-sided documents up to 50 sheets long are easily scanned using the Auto Reversing Single Pass Feeder, while built-in Super G3 faxing capabilities help ensure that faxes are sent quickly and with no time wasted. Even sending documents to multiple destinations is simple and straightforward with advanced features like Group Dialing, Chain Dialing, and Broadcasting.

DIGITAL DOCUMENT IMAGING

With Sharpdesk®, Sharp's innovative document management software, all of your business documents can be integrated into one place for easy organizing, editing, sharing, and archiving. And scanning your documents is no problem with Button Manager software, Sharp's built-in utility designed to help you select file types (such as PDF, TIFF, and Bitmap), and manage commonly-used destinations for sent files. It gives you the ability to send scanned documents directly to any folder on your computer's hard drive, making storage and filing a simple and speedy one-step process.

CONVENIENT, RELIABLE COPYING & HIGH OUALITY PRINTING

The Sharp F0-2081 is not only a highly capable workgroup business fax — this MFP-based model is also a multitasking, digital multifunction printer, with the ability to handle your everyday copying and printing needs. It can also help you increase office productivity with its instant warm up times, and Continuous Copying capability, letting you scan once and print up to 99 sheets. The Sharp F0-2081 has been designed with the ability to create crisp, clear business documents with no hassle and in less time.

ADVANCED PAPER HANDLING

The Sharp F0-2081 offers one standard 250-sheet paper tray that can accommodate different paper sizes or types, along with a 50-sheet bypass tray for an overall capacity of 300 sheets. Add the opional 250-sheet paper tray for a maximum paper capacity of 550 sheets. It also delivers features such as E-Sort and Offset Stacking, making tasks such as collating, separating, and sorting absolutely effortless.

EASY-TO-USE SHARP UTILITIES

Taking device control to a whole new level, the Embedded Web Page is Sharp's online management tool, easily accessible from any computer connected to your local area network. Sharp's Printer Status Window is a handy utility which lets you monitor the status of your documents as they are printing, and can even notify you if an error occurred during the printing process. And another convenient tool is the Online Manual, which lets you easily navigate through all of the technical information on the functions of the machine, or simply search the manual for details on a specific feature.
